

In Celebration of Black History Month....

**The Northeast Region Equal Employment Opportunity/
Diversity Advisory Committee presents:**

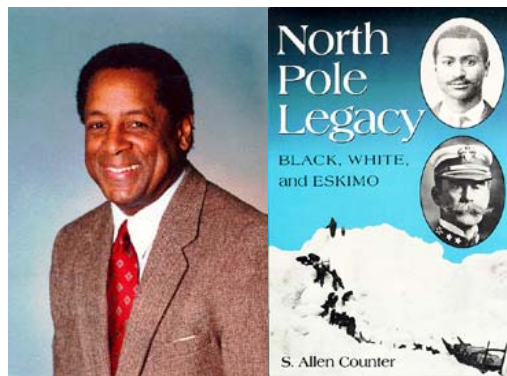

North Pole Legacy: White, Black, Eskimo

a book by

Dr. S. Allen Counter, Harvard University

February 26, 2004, 2 p.m.

in the Northeast Region's Downstairs Conference Room

Listen as Dr. Counter recounts his journey to locate the half-Eskimo octogenarian sons of polar explorers Matthew Henson and Robert Peary, assisting them in visiting the U.S. to meet their American relatives and view their fathers' graves. Through this fascinating trek, Dr. Counter succeeded in getting official recognition for fellow African American Henson's indispensable role in Peary's Arctic explorations.

Popcorn and soft drinks will be provided.
